

Lightfoot Capital Partners, LP Announces the Acquisition of Terminal Assets from Center Oil Company

New York, NY – July 12, 2007 – Lightfoot Capital Partners, LP today announced that its newly formed limited partnership, Arc Terminals LP has acquired six petroleum product terminals from Center Oil Company, a private energy company based in St. Louis, Missouri.

The acquired terminals are located in Illinois, North Carolina, Ohio, Virginia, and Wisconsin. These terminals have a combined working capacity of approximately 1.5 million barrels and provide storage and delivery services for gasoline, diesel and bio-diesel, aviation gas, and ethanol. Current terminal customers include Center Oil Company as well as several unaffiliated, third parties.

Initial limited partners of Arc Terminals LP include Lightfoot Capital Partners, LP and affiliates of Center Oil Company. Arc Terminals GP LLC, the general partner of Arc Terminals LP, is a wholly-owned subsidiary of Lightfoot Capital Partners, LP.
